November 2016**

### **Annual Book Sale**

We had a successful book sale on November 3<sup>rd</sup> through November 5<sup>th</sup>. Thank you to everyone who donated books, worked moving books, sold books and packed the unsold books in cartons. We also thank the local businesses –Spencer ShurFine, Family Farm, Country Diner and Parkview Pizza - who donated gift certificates for our drawing. We continue to accept books, Music CDs, Books on CD, and DVDs for our next sale.

### **On Your Mark, Get Set....Read**

We had 50 children participate in the Summer Reading program by reading FRO 409 hours over a six week period. Through a grant from Senator Akshar and the BOOKS program we were able to have Michael Albert, pop artist; David Black, magician; the GAMES truck and the provision of various fruits and vegetable for the participants to make healthy snacks. Pictures of Summer Reading are on our website, [Spencernylibrary.org](http://Spencernylibrary.org)

### **Computers**

It was voted on at the annual meeting to have filters placed on the public computers that are compliant with the Children's Internet Protection Act. We have been using the filter since September and have not had any problems with adults unable to access sites.

### **Memorial Gifts**

We gladly accept donations given in memory of people. If you want the money to go toward a specific thing, such as books, please note it on the donation.

### **Museum Passes**

We continue to offer admission passes to Corning Museum of Glass. You can borrow four adult passes for free admission to the museum. We also will soon be offering passes to the Museum of the Earth and Cayuga Nature Center.

### **Do You Know About**

#### **Overdrive?**

#### **Zinio?**

#### **Hoopla?**

**Overdrive** is the site that is used for e-books. You can access it through the library's website. An e-book can be downloaded to e-readers after ordering and receiving a message that it is available for checking out.

**Zinio** is a program that offers magazines on computers and/or tablets. It is accessible through our website or a Zinio app. The first time of use you will need to set up an account. Once the account is set up you are able to see the available magazines and check them out to read on your tablet or computer. (less magazines to recycle!)

**Hoopla** is a site similar to Netflix but also offers e-books, audio books and movies for children and/or adults. Again, it is accessed through our website or a Hoopla app. There is a limit of three movies per month but all free with a library card!

### **Christmas Movies**

Because of a generous donation by a patron we have a lot of Christmas DVDs for families and children this year. Stop by and see if any of your favorites are here for checking out.

### **Movie Night**

We are excited about the opportunity to offer free movie nights for children's movies and adult movies. We have partnered with the Village of Spencer to make this possible. Watch for posters announcing the movie being shown and the date.
